## Charity Partner

### Immokalee Soccer School & Academy at <http://www.immokaleesoccerschool.org/>

- We are raising money in memory of Anthony M. Mominee, my father, so died in September of 2016 after a long battle with dementia. My father was a farmer and my youth coach; he inspired my love of sports, running, coaching and race directing. He loved soccer and so did I until my grade school program was cut. I moved to running, but many kids do not have sports programs in their neighborhoods. The Immokalee Soccer School & Academy provides coaching, mentorship, and after school programs for the children of farmworkers in Immokalee Florida. Research shows that at-risk youth who play sports have higher esteem, school achievement and community involvement, while staying away from gangs, drugs and other risky behaviors. The money we raise will go to support their programming, coaching, and community outreach. The Immokalee Soccer School & Academy does more than coaching, but they help students with homework, provide after school programs, and organize service to their local community. My dad gave so much to others, and in his memory we are trying to do the same. A portion of race proceeds and any additional monies raised will go directly to this charity.
