Congratulations Runner's Plus Zoom
2017 Series Champion!

Be the Best!

Win the Cup!

This triathlon club race series challenges triathlon teams/clubs from across the state and region to compete for bragging rights and to see who is the best team around!

Grab your friends, family, and teammates and join us for the Ohio Triathlon Club Cup!

Scoring Team points accumulate for the duration of the 4 race series and the team with the most points at the end of the 5 races series wins the cup. We will take the highest 4 team scores to determine the winner.

- ✓ Teams needs to compete in at least 4 events to win, but any team, in which 5 or more team members, competes in the triathlon races at all 5 events will earn a 50 point bonus towards their final series score.
- ✓ All teams earn 100 points per event date (there are 5 event dates) in which at least 5 team members compete in any of the triathlon races.
- ✓ Teams also earn 1 additional point for each team member who competes in any triathlon distance (Beginner, Sprint (Arnold Only), Olympic or 1/3 Iron) on a given date up to a maximum of 20 points.
- ✓ Team members earn additional points for athletes who compete in the Beginner, Sprint (Arnold Only), Olympic & 1/3 Iron triathlon races and place in the following age categories:
 - Youth Male & Open Female: USAT Ages 0-13
 - High School Male & Master Female: USAT Ages 14-18
 - Collegiate Male & Female: USAT Ages 19-24
 - Open Male & Open Female: USAT Ages 25-39
 - Masters Male & Master Female: USAT Ages 40-54
 - Grandmaster Male & Female: USAT Ages 55+
- ✓ In each age category male and female athletes can earn the following points for their team:
 - 1st: 10 points; 2nd: 7 points; 3rd: 5 points; 4th: 3 points & 5th: 1 points

Teams A team is any group of people (men and/or women) competing under the same name. Team membership may change from race to race, but the team name must remain the same throughout the series. We recommend teams consist of at last 5 members, but there NOT a minimum or maximum team size. You are not required to compete on a team. This is an optional competition where team members along with everyone else in the regularly scheduled races, like in a cross country meet.

Series Awards A cup trophy is awarded to the team who scores the most points for the event series.

Event Awards A trophy is awarded to the team who scores the most points in each individual event.

COMMONLY VIOLATED RULES & PENALTIES

PLEASE DISTRIBUTE TO ALL ATHLETES

1. Helmets:

Only helmets approved by the US Consumer Product Safety Commission (CPSC) may be used in USAT sanctioned events. Helmets must be worn at all times while on your bike. This means before, during, and after the event.

Penalty: Disqualification

2. Chin Straps:

Chin straps must be fastened at all times when on a bicycle. DO NOT unbuckle your chin strap unless you are off your bicycle.

Penalty: Disqualification on the course; time penalty in transition area only.

3. Outside Assistance:

No assistance other than that offered by race and medical officials may be used. Triathlons and duathlons are individual tests of fitness.

Penalty: Time penalty

4. Transition Area:

All equipment must be placed in the properly designated and individually assigned bike corral. The wheel of the bicycle must be down on the side of the assigned space. All participants must return their bicycles to an upright position in their designated bicycle corral. No person shall interfere with another participant's equipment or impede the progress of another participant. All bar ends must be solidly plugged. No participant shall bring ANY glass containers into the transition area.

Penalty: Time penalty or disqualification

5. Drafting:

Drafting--keep at least three bike lengths of clear space between you and the cyclist in front. If you move into the zone, you must pass within 15 seconds.

Position--keep to the right hand side of the lane of travel unless passing.

Illegal Pass--cyclists must pass on the left, not on the right.

Blocking--riding on the left side of the lane without passing anyone and impeding other cyclists attempting to pass.

Overtaken--once passed, you must immediately exit the draft zone from the rear, before attempting to pass again.

Penalty: Time penalty

6. Course:

All competitors are required to follow the prescribed course and to stay within all coned lanes. Cutting the course is an obvious violation and going outside the course is a safety issue. Cyclists shall not cross a solid yellow center line for ANY reason. Cyclists must obey all applicable traffic laws at all times.

Penalty: Referee's discretion, time penalty or disqualification

7. Unsportsmanlike-Like Conduct:

Foul, harsh, argumentative or abusive language or other unsportsmanlike conduct directed at race officials, USA Triathlon officials, volunteers, spectators or fellow athletes is forbidden.

Penalty: Disqualification

8. Headphones:

Headphones, headsets, walkmans, ipods, mp3 players, or personal audio devices, etc. are not to be carried or worn at any time during the race.

Penalty: Time penalty

9. Race numbers:

All athletes are required to wear race numbers at all times during the run. Numbers must be clearly visible at all times. Numbers may not be altered in any way that prevents a clear identification. **DO NOT transfer your number to any other athlete or take a number from an athlete that is not competing.**

Penalty: Time penalty for missing or altered number, Disqualification and one year suspension from membership in USAT for transferring a number without race director permission.

10. Wetsuits:

Each age group participant shall be permitted to wear a wetsuit without penalty in any event sanctioned by USA Triathlon up to and including a water temperature of 78 degrees Fahrenheit. When the water temperature is greater than 78 degrees but less than 84 degrees Fahrenheit, age group participants may wear a wetsuit at their own discretion, provided, however that participants who wears a wetsuit within such temperature range shall not be eligible for prizes or awards. Above 84 degrees, wetsuits are prohibited.

11. Abandonment:

All personal equipment and belongings taken out onto the course must stay on the athlete the entire time. No garbage, clothing, etc. shall be thrown on the course.

Penalty: Time penalty

Variable Time Penalties

Distance Category	1st Offense	2nd Offense	3rd Offense
Sprint	2:00 minute	4:00 minutes	Disqualification
Intermediate	2:00 minutes	4:00 minutes	Disqualification
Long	4:00 minutes	8:00 minutes	Disqualification
Ultra	6:00 minutes	12:00 minutes	Disqualification

For a complete list of rules, please refer to the most up to date USA Triathlon Competitive Rules at:

The Swim - FAQ

Wetsuits If water temperature is below 78 degrees you can wear a wetsuit, but it is not required.
If the water is between 78-83 degrees you can wear a wetsuit, but you are not eligible for awards.
If the water is 84 degrees or more you may not wear a wetsuit; it would be unsafe.

Cap Colors Please be sure you wear your assigned swim cap for safety. **PURPLE: Open Swim**
RED: 1/3 Iron **YELLOW: Olympic** **PINK: Sprint** **GREEN: Beginner**

Start It is an in-water start; racers will line up according to ability. You can touch in some places at the start.
Men & women will start together. Should we need to start in waves, men start first, then the women.

Courses The course is marked with large buoys and all swims are Counter-Clockwise.
The 5000m Swim is a 500m leg + 6-laps on the 750m Course. The 3000m swim is 4 laps on the 750m Course.
The 2000m is a 500m leg + 2-laps on the 750m Course. The 1500m swim is 2 laps on the 750m Course
and the 750m swim is 1-lap on the 750m Course. The 200m swim is one way down the beach.

Emergencies If you need rescue throw up your hands and call out. If you are rescued you cannot continue the race. You can rest on lifeguard kayaks, and any place you can touch bottom. If you walk, the water must be above your belly button.

Aid Station The 5k swim aid station will have water & gels; You can leave your own aid at the station.

To Transition & Open Swim Finish Once you have completed your swim, exit the water and run up the beach into the grass. Transition will be in the parking lot, Southeast of the beach. Open Swimmers will also exit the water, run into the grass, and to the the finish line, which is next to transition in the parking lot.

Swim Cut Off Everyone must complete the swim course by 10:00am.

Aquabike This is a swim and bike only event. After the bike segment, enter the transition area, rack your bike and then proceed to the finish. Exit transition towards the run course and then turn off to the finish line.

Aquathon This is a swim and run only event. You must enter the transition area after your swim get your running gear and then proceed to the run course. At the end of your run you must cross the finish line.

Transition FAQ

You must store all your gear in the transition area and enter the transition area between each leg of the race. The transition area will be split into zones. Racers can rack their bike on any rack in the designated zone. Place the stickers provided at registration on your bike and your transition bag. You cannot exit the transition area with your bike or gear bag without a sticker on your bike & bag that matches your body marking race number. This is for your safety.

Swim In / Run In & Run Out Noth side of transition (end of parking lot closest to the water)

Bike In & Out On the South side of transition (end of parking lot closest to the road), athletes exit the transition area, walking/jogging their bikes with their helmets on and proceed South. Riders will mount their bikes (after the Mount Line) and ride out of the park onto the bike course. Once they have finished the bike course they will again enter the same parking lot, dismount their bikes (before the Dismount Line) and walk/jog their bike back into the transition area.

Run Out On the North side of transition (end of parking lot closest to the water) athletes run out of transition and onto the run course.

Heat Related Issues

Heat Cramps symptoms - painful cramps involving abdominal muscles and extremities caused by intense, prolonged exercise in heat and depletion of salt and water due to profuse sweating. Treat with hydration and stretching.

Heat Syncope symptoms - weakness, fatigue, fainting due to loss of salt & water in sweat & exercise; predisposes to heat stroke. Lay down in cool place & rehydrate.

Heat Exhaustion symptoms include reduced sweating, elevated skin and core body temperature, excessive thirst, weakness, headache, and sometimes unconsciousness, may also accompany nausea and vomiting. Move athlete to cool place and take action to lower body temperature and rehydrate. Notify EMS immediately.

Heat Exhaustion abrupt onset, headache, fatigue, flushed skin, reduced sweating, increased heart rate, increased respiratory rate, rapid rise in body temperature. Take immediate emergency action to reduce temperature (ice bath, ice towel). Notify EMS immediately & athlete is to be moved to the hospital as soon as possible.

Acts of God

Lightening Move to cars or shelter next to the base camp. If unable to reach shelter assume crouched position w/ head down & arms hugged around knees (avoid trees and other tall structures). Race can continue, 30 minutes from the last lightning flash or flash-to-bang count greater than 30.

Heavy Winds/Tornado Move to safe location & take shelter. If you are out on course and shelter is unavailable, lie flat in a ditch or depression and cover their head with their hands. It is advised to all athletes to wear their helmets at all times.

Heavy Rains While rain itself is not a danger to athletes and volunteers, rain slicked roadways, standing water and poor visibility are all dangers that may result from heavy rain fall, so swim, ride and run cautiously.
